

**MOLE DAY
MADNESS**

A vibrant, stylized graphic celebrating Mole Day. The central text "MOLE DAY MADNESS" is rendered in a bold, bubbly, 3D font with a color gradient from light blue to pink and a thick black outline. The background is a dark, textured blue. Surrounding the text are various pieces of laboratory glassware, including Erlenmeyer flasks and test tubes, some containing liquids of different colors like pink, blue, and green. Dynamic splashes and bubbles of these colors erupt from the glassware, creating a sense of chemical activity and excitement. The overall aesthetic is playful and energetic, typical of a science-themed party or event.
